The Colorado Emerald Society is a social organization of law enforcement officers and firefighters of Irish decent. We formed our Society in 2000 and modeled it after the National Emerald Societies that were formed about 1950 in New York and Boston.

The Colorado Emerald Society Pipes & Drums Band leads us every year in the Denver St. Patrick's Day Parade. The Colorado Emerald Society Pipes & Drums Band contributes their heartfelt music to the families of law enforcement officers and firefighters who have died in the line of duty. Each year the CES Pipes & Drums Band performs at fire and police memorials throughout Colorado.

We are all volunteers and participate to share our Irish ancestry and promote the Irish American influence in public safety. Our organization promotes college education and awards scholarships to young men and women who are dedicated to improving their lives through education.

We are currently planning our 15th Annual Colorado Emerald Society Christmas party to be held on December 12, 2015. We are asking you and our supporters if they would please contribute an item for a door prize for the Christmas party. Your business will be included in our program and promoted on our website, www.coemersoc.org.

We are a non-profit organization, pursuant to IRS designation as a 501- (c) (3). Your donation is fully deductible.
