

# COLORADO EMERALD SOCIETY

P.O. Box 40211 Denver, CO 80204

*Law Enforcement Officers and Firefighters Sharing the Irish Spirit*

## Greetings from the Colorado Emerald Society

The Colorado Emerald Society is a social organization formed in May, 2000 to foster the Irish heritage of law enforcement and firefighter personnel within the state of Colorado. The National Emerald Society has been ongoing in places like New York and Boston since the 1950's.

We host several social events throughout the year and we continue to grow in membership. We have formed our own Emerald Society Pipe & Drum Band, which performs in Pipe Band competitions throughout the western region and in the Denver St. Patrick's Day Parade. The Colorado Emerald Society Pipe Band performs at all police and fire memorials within the state.

We are currently planning our annual Scholarship Charity Golf Tournament to be held on June 13, 2016, and would greatly appreciate your business or organization making a tax deductible donation by sponsoring a hole or donating an item for a door prize. This is a great cause and it really helps the families of the professionals who serve and protect you every day.

We will highlight your business when presenting the scholarships.

We are a non-profit organization, pursuant to IRS designation as a 501 (c) (3), and your donation is fully deductible.

Thank you for your consideration.
